

Advantage I-75 Mainline Automated Clearance System

Final Evaluation Report

August 1998

Center for Transportation
Research and Education

IOWA STATE UNIVERSITY

Table of Contents

Advantage I-75 Mainline Automated Clearance System Final Report

1. Executive Summary
2. Motor Carrier Fuel Consumption Individual Evaluation Report
3. Weigh Station Individual Evaluation Report
4. Simulation Modeling Individual Evaluation Report
5. Jurisdictional Issues Individual Evaluation Report

Appendix I

Appendix II

Appendix III

Appendix IV

Appendix V

Appendix VI

Advantage I-75 Mainline Automated Clearance System Detailed Evaluation Part Two:
Motor Carrier Fuel Consumption Individual Evaluation Test Plan

Advantage I-75 Mainline Automated Clearance System Detailed Evaluation Part Three:
Weigh Station Individual Evaluation Test Plan

Advantage I-75 Mainline Automated Clearance System Detailed Evaluation Part Four:
Jurisdictional Issues Individual Evaluation Test Plan

Advantage I-75 Mainline Automated Clearance System Detailed Evaluation Part Five:
System Individual Evaluation Test Plan
