Keynote Speaker: Kent Stock

A teacher, coach, middle school principal, banker, author, and powerful

speaker, Kent Stock is also the man who coached the Norway baseball team during their now-famous final season. As depicted in the 2007 film, *The Final Season*, the nationally recognized Norway baseball team came together under then first-year head baseball coach Stock to defy the odds and win Norway's 20th state title in what would become the team's final season before merging with a bigger, neighboring school district. Kent authored a book titled, "Heading for Home: My Journey from Little League to Hollywood" outlining his life's journey.
