**State Report Questions on MEPDG Implementation**

1. Summarize your state's status as far as MEPDG Implementation.

We have not yet implemented it. State needs to buy the program, and will implement once the program has been purchased.

2. What efforts have been made toward local calibration?

A couple of studies on CTE have been conducted and completed. Traffic data is still being collected.

3. What additional information/support would assist your state with implementation?
