

31st Annual MUNICIPAL STREETS SEMINAR

*November 14, 2023 – Scheman Building, 1805 Center Drive
Iowa State University, Ames, Iowa, 50011*

- 7:30 **Registration & Breakfast Buffet – 2nd floor**
- 8:00 **Introduction**
Welcome- Moderator, Jerod Gross, representing the CP Tech Center – Rooms 220-240
- 8:15 **Concrete Pavement Surface Defects** - Peter Taylor, P.E., Ph.D., Director CP Tech Center – This presentation includes a summary of causes and actions to reduce the risk of surface-related distresses.
- 9:00 **SUDAS / IPWSB Update** - David Carney, P.E., SUDAS Director & Beth Richards, SUDAS / PWSB Program Coordinator. Welcome new SUDAS Director David Carney and Beth Richards as they provide an update to SUDAS and the Iowa Public Works Service Bureau.
- 9:30 **Iowa DOT Local Systems & Federal Funding** - Nicole Moore, P.E., Director, Iowa DOT Local Systems & Federal Funding. This discussion will include the new Federal Funding bill as well as Local Systems general information that Cities and Consultants can use for assistance on Federal-aid and State-aid projects and grants.
- 10:00 **BREAK**
- 10:15 **Understanding ADA Compliance, PROWAG, and Concrete’s Important Role** – Jesse Jonas, P.E., MO/KS Chapter ACPA. Accessibility is not just a project completion checklist item, it’s an ongoing requirement throughout the lifetime of the asset. Learn how concrete is being used to make the life of millions much more enjoyable.
- 11:15 **Concrete Pavement Preservation** - Lee Shepard, Concrete Promotions Director, Iowa Concrete Paving Association. Lee will provide an update on concrete preservation treatments.
- 11:45 **LUNCH**
- 12:30 **In the Hot Seat** – Richard Fosse, PE, University of Iowa, Dept of Civil & Environmental Engineering. Learn about essential skills for encounters with the press and the legal system.
- 1:15 **Maintenance of Traffic Impacts to Local Roads** – Danielle Alvarez, PE, Iowa DOT District 6 Construction Engineer and JD Schulte, CFP, PWLF, Hutchison Engineering, Inc. This presentation focuses on DOT and municipality perspectives for the impact to local traffic related to a large multi-year bridge project on I-74 in Moline, Illinois and Bettendorf, Iowa.
- 2:00 **BREAK**
- 2:15 **Overview of Maintenance Bonds** – Jay Freiermuth, AFSB, Sr. Vice President, Holmes, Murphy and Associates, LLC. Jay will provide an overview of maintenance bonds including their purpose and what is covered under a maintenance bond claim.
- 3:00 **PCC Project Case Study – Concrete Overlay of West 5th Street and Lexington Boulevard in Washington, Iowa** – Keith Henkel, City of Washington, Dennis Murray, Washington County, and Pat Jones, Jones Contracting Corp. This presentation will cover the design and construction of a concrete overlay in Washington County and the City of Washington. Hear perspectives from the City, County, and the Contractor on this ICPA award winning project.
- 3:45 **ADJOURN**

Cost: \$110 (includes workshop materials, breakfast, and lunch)
