

Online Iowa LTAP Webinars & Flagger/Work Zone Recording (3/31/2020)

Excavation Safety Overview. *Friday, 4/3 at 12:00 PM.* Go to this link and you'll be attending the webinar: <http://connect.extension.iastate.edu/excavation/> (no advance registration needed). Sign in with your name and the number of people that are with you. You'll put your full information in the chat pod. Test your computer here and work with your IT people if needed to use Adobe Connect: https://connect.extension.iastate.edu/common/help/en/support/meeting_test.htm. Use your computer audio for sound, mute your microphone, and we'll use the chat pod for questions.

Low Cost Safety Improvements: Unsignalized Intersections. *Friday, 4/10 at 12:00 PM.* Same approach as above but with this link: <https://connect.extension.iastate.edu/lcsiunsig/>. Any changes will be in our LTAP Resource Weekly next Tuesday.

Work Zone Reviews: The Good, the Bad, and the Ugly. *Friday, 4/24 at 12:00 PM.* Same approach as above but with this link: https://connect.extension.iastate.edu/work_zone_review/. Any changes will be in our LTAP Resource Weekly the next two weeks.

Flagger/Work Zone Training Recording. During this spring of travel restrictions and social distancing David and Paul have recorded this training and made it available to you for your use as appropriate on-site: <https://iowaltap.iastate.edu/flagger-and-work-zone-safety-training/>. Send us a sign-up sheet with those that attended (and their signature) and keep a copy for yourself. Call/email if you have questions.

To be Advertised Soon: MUTCD Signing Basics and Accessible Sidewalks and Curb Ramps: Design to Installation. Replacements for typical spring on-site trainings.
