

Iowa LTAP Webinars and Workshops (4/28/2020)

Confined Space Safety Overview. *Thursday, 4/30 at 12:00 PM.* Go to this link and you'll be attending the webinar: <https://connect.extension.iastate.edu/confinedspace/> (no advance registration needed). Sign in with your name and the number of people that are with you. You'll put your full information in the chat pod. Test your computer and work with your IT people if needed to use Adobe Connect: https://connect.extension.iastate.edu/common/help/en/support/meeting_test.htm. Use your computer audio for sound and your mic in Adobe, and we'll use the chat pod for questions. If you would rather call with your speaker phone contact Keith (kknapp@iastate.edu) by COB 4/23.

Webinar Workshop: Accessible Sidewalks and Curb Ramps: Design to Installation. *May 5 & 6, 2020 at 9:00 AM.* Registration required. Please go to <https://iowaltap.iastate.edu/events/webinar-accessible-sidewalks/>. This is a virtual replacement to the class taught each year.

Webinar Workshop: MUTCD Signing Basics. *May 12 & 13, 2020 at 8:00 AM.* Registration required. Please go to <https://iowaltap.iastate.edu/events/2020-mutcd-signing-review-webinar/>. This is a virtual replacement to a class taught every other year.

Guest Speaker One-Hour Webinars

Maintenance and Safety – Signs and Sign Supports. *Thursday, 5/7 at 12:00 PM.* Guest speaker: Nicole Oneyear. To register and receive access information to this Webex training please go to <https://intrans.iastate.edu/events/maintenance-and-safety-signs/>.

Remaining Resilient During Challenging Times. *Friday, 5/15 at 12:00 PM.* Guest speaker: Krisdeena Jansen. To register and receive access information to this Webex training please go to <https://iowaltap.iastate.edu/events/remaining-resilient/>

Potential Future Subjects: Four to Three-Lane Conversion Basics, New and Innovative Uses of Unmanned Aircraft Systems in Transportation Infrastructure Health Monitoring & Management, Health Hazards for Roadway Workers, and What would you do? Ethical Choices.

Safety Meeting Materials & Mousetrap Competition

Are you looking for safety meeting materials? Iowa LTAP can help. Two sources of materials.

- Iowa LTAP Safety Training Resources page at <https://iowaltap.iastate.edu/2020-safety-resources-main-face/>. This page has 22 safety subject packets for your use – including Excavation Safety, Confined Space, First Aid – Medical Services, Hand and Portable Power Tool Safety and PPE Safety Training.
- NLTAPA Tailgate Talks page at <https://nltapa.org/information-exchange/nltapa-tailgate-talks/>. This page has approximately 100 safety pages for your use (and National LTAP membership is reviewing others for posting)

Iowa Mousetrap Competition Deadline is Friday May 1 – Apply Now! Iowa LTAP is once again sponsoring the Iowa Mousetrap Competition. If you have a new way of doing things or have fabricated something that helps you do your job – please share it. The top three winners are entered into a national competition, receive recognition plaques, and also are provided free LTAP training registrations. First place also gets a free lunch party for the applicants and their colleagues. Application forms are online at <https://iowaltap.iastate.edu/build-a-better-mousetrap-competition/>.
