## **Special Local Agency Bridge Innovation Event**

**Local Agency Bridge Innovation and Demonstration Days.** *June 23-25, 2020.* This event was held two years ago and due to funding from the Iowa DOT and FHWA the requests to bring it back have been answered. The agenda is full of bridge planning, design, and construction innovation topics. A tour of Buchanan County bridges is also included. The current event planning is focused on having two hours of live virtual format and pre-recorded sessions most days. Additional details and registration will follow shortly.

## **Some Resources**

Coronavirus (COVID-19) Pandemic: Addressing PPE Needs in Non-Healthcare Setting. April, 22, 2020 news release from FEMA. <https://www.fema.gov/news-release/2020/04/22/coronavirus-covid-19-pandemic-addressing-ppe-needs-non-healthcare-setting>.

COVID Safety Resources from ARTBA. A video on preventing the spread of infectious diseases in highway work zones, a toolbox on essential information for transportation construction workers prepared in cooperation with the Construction Industry Safety Coalition (CISC), and much more. <https://www.artba.org/coronavirus/>
