(All Times Central, 7/21/2020)

Iowa LTAP & Guest Speaker Webinars

Improving Work Zone Safety: Temporary Rumble Strips, Smart Arrow Boards, and Other Connected Traffic Control Device (TCD) Technologies. *Thursday, 7/23 at 12:00 PM.* Guest Speakers: Skylar Knickerbocker and Neal Hawkins. For more information and to register and receive access information to this Webex Training, please go to <https://iowaltap.iastate.edu/events/improving-work-zone-safety/>

Ethical Choices – What Would You Do? *Thursday, 7/31 at 12:00 PM.* Keith Knapp, Iowa LTAP Director. For more information and to register and receive access information to this Webex Training, please go to <https://iowaltap.iastate.edu/events/ethical-choices-webinar/>

Working with Heated Pavements: Recent Technical Advances. *Friday, 8/7 at 12:00 PM.* Guest Speaker: Dr. Halil Ceylan. For more information and to register and receive access information to this Webex Training, please go to <https://iowaltap.iastate.edu/events/heated-pavements/>

Potential upcoming subjects: road diet basics, rural intersections, railroad crossing improvements, and leadership during turbulent times

Recordings and Online Course Databases

Iowa LTAP Recordings: The recordings for the Roadside Safety Basics and the Local Agency Bridge Innovation and Demonstration Days are available (as are almost all our online efforts) on our website at <https://iowaltap.iastate.edu/webinars/>

NHI, ITE, and TC3 Trainings: There are many free online trainings that have been made available through the FHWA Center for Local Aid Support agreements with NHI, ITE, and AASHTO. Links to these can be found at <https://iowaltap.iastate.edu/web-based-training-opportunities/>

Searchable Online Training Database: The National LTAP & TTAP Association developed a long list of online courses that are available throughout the United States. It can be found at <https://nltapa.org/searchable-database/>

Webinars by Others

Engineering and Traffic Studies. *Tuesday and Wednesday, 7/21–22 at 12:00 PM* (brought to you by NJ LTAP). The course will examine methodologies for conducting speed studies, evaluating intersection controls, safety analyses, and quantifying the effectiveness of safety treatments. Additional details and registration can be found at <https://cait.rutgers.edu/event/njltap-engineering-and-traffic-studies/>

Value Capture Virtual Peer Exchanges. *Thursday, 7/23 at 12:00 PM.* This customized topical peer exchange provides the opportunity for participants to learn and engage with nationally recognized experts and representatives from leading peer states and localities who have successfully implemented Value Capture Strategies to advance transportation projects and programs. Additional details and

registration can be found at

<https://collaboration.fhwa.dot.gov/dot/fhwa/WC/Lists/Seminars/DispForm.aspx?ID=2286>

NLTAPA 11th Annual Poster Session. *Thursday, 7/23 at 1:00 PM.* This is a National LTAP and TTAP pre-conference poster session with submittals from around the country. All are invited to learn more about all the great initiatives and ideas represented on the posters! Register at <https://lsu.zoom.us/meeting/register/tJ0lduuvpjotEtdZrnnglzLdY7B0Zi1N6TKP>. Presenters will share their posters, new resources, and ideas that you can “take home” with you! Please also join us on Tuesday, 7/28 at 11:15 AM (Central) for the interactive “You Can’t Escape the Posters” training activity during the conference (see below)!

Sustainable Pavement Systems: A Webinar Series - Life-Cycle Assessment (LCA) Environmental Prod Declaration. *Thursday, 7/23 at 1:30 PM.* To join, go to <https://connectdot.connectsolutions.com/pmtstconcrete>

Value of Data Derived from UAS throughout Project Delivery. *Thursday, 8/6 at 1:30 PM.* To join, go to <https://collaboration.fhwa.dot.gov/dot/fhwa/WC/Lists/Seminars/DispForm.aspx?ID=2434>

FoRRRwD Countermeasures: High Friction Surface Treatment and Continuous Friction Measurement. *Tuesday, 8/11 at 12:00 PM.* To join, go to <https://collaboration.fhwa.dot.gov/dot/fhwa/WC/Lists/Seminars/DispForm.aspx?ID=2353>

Virtual to You (V2Y) NLTAPA/NTTD Annual Conference. *Tuesday through Thursday, 7/28–30 at 10:00 AM.* Join the National LTAP and TTAP Association (NLTAPA) and the National Transportation Training Directors (NTTD). All are welcome. Among other things, we will have general sessions, technical sessions, state sharing, and hot topics. For more information (including a draft agenda) and registration, please go to <https://nltapa.org/workgroups/conference/>
