

# THE SOUNDS OF A CHINESE COVERED BRIDGE

A photograph of a traditional Chinese covered bridge. The bridge has a red wooden body and a tiled roof with ornate, upturned eaves. It is built over a stone foundation and is surrounded by lush green vegetation and trees. The sky is clear and blue.

The musical score is written on five staves in treble clef, with a key signature of two flats (B-flat and E-flat) and a 2/4 time signature. The notation includes various musical symbols such as eighth notes, quarter notes, and slurs. A speaker icon is positioned between the second and third staves.
