

SUDAS Revision Submittal Form

Status Date: As of 5/20/2020 **Topic:** Water for seeding
Manual: Specifications **Manual Location:** Section 9010, 1.08, D

Requested Revision:

1.08 MEASUREMENT AND PAYMENT

D. Watering:

1. **Measurement:** Measurement will be by metering of water applied. If metering is not available, measurement will be by counting the loads from a transporting tank of known volume and gauging the contents of the transporting truck for partial loads.
2. **Payment:** Payment will be at the unit price per 1,000 gallons (MGAL) of water used.
3. **Includes:** Unit price includes, but is not limited to, water, pumps, meters, equipment, water tanker/container, transportation, hoses, and sprinklers.

Reason for Revision: To clarify confusion of MGAL, which has been misinterpreted as a million gallons rather than 1,000 gallons.

Comments: None.
