

# GA Concrete Workshop Agenda

May 2-3, 2023

Courtyard by Marriot, Mankato, MN

## Day 1

- 1300 to 1330 Introduction—ACPTP & the Technology Transfer Program  
*Dr. Peter Taylor, P.E.; ACPTP Program Director*
- 1330 to 1415 Airfield Pavement Design using FAA AC 150/5320-6G  
*Harold Honey, P.E.; FAA Headquarters Senior Pavement Engineer*
- 1415 to 1445 Cost Effective Analysis using Life Cycle Cost Analyses  
*Gary Mitchell, P.E.; ACPA Chief of Engineering*
- 1445 to 1500 Afternoon Break - Sponsored By: Eco Material Technologies
- 1500 to 1545 Concrete Overlays for General Aviation Airports  
*Gary Mitchell, P.E.; ACPA Chief of Engineering*
- 1545 to 1615 What should we be specifying?  
*Dr. Peter Taylor, P.E.; ACPTP Program Director*
- 1615 to 1700 FAA Standard Specifications and Their Application to GA Airports  
*Harold Honey, P.E.; FAA Headquarters Senior Pavement Engineer*
- 1700 to 1830 Reception (Dinner on your own) - Sponsored By: American Engineering Testing

## DAY 2

- 0700 to 0800 Breakfast - Sponsored By: Terracon Consultants, Inc.
- 0800 to 0815 Review of Day One
- 0815 to 0915 Performance Engineered Concrete Mixtures for Airfield Concrete Pavement  
*Dr. Peter Taylor, P.E. and Gary Mitchell, P.E.*
- 0915 to 0945 Portland Limestone Cements  
*Dr. Peter Taylor, P.E.; ACPTP Program Director*
- 0945 to 1000 Morning Break - Sponsored By: Braun Intertec
- 1000 to 1045 Engineer's Authority and Specification Conformance  
*Harold Honey, P.E.; FAA Headquarters Senior Pavement Engineer*
- 1045 to 1130 Quality Control and Quality Assurance  
*Gary Mitchell, P.E.; ACPA Chief of Engineering*
- 1130 to 1200 Review, Questions/Answers, Wrap up
